

***DEEP/ACTIVE FX – FRAXEL***

***INFORMATION AND INSTRUCTIONS***

- ✚ Please arrive at your appointment time for pre-photos, numbing and pre-treatment preparation.
- ✚ Eat meal/snack prior to coming in.
- ✚ Shower/wash hair the morning of the treatment, if treating the face
- ✚ Wear an old, button-down shirt to wear for the procedure, as it may get wet.
- ✚ Please remove all face and eye makeup, moisturizers, hair spray, jewelery and **contact lenses.**
- ✚ If male, shave areas to be treated prior to coming into the office.
- ✚ It is preferable that you have someone available to take you home.
- ✚ Have all medications/creams ready at home before you come in.
- ✚ PLEASE BRING ALL OF YOUR MEDICATIONS AND CREAMS INTO THE OFFICE WHEN YOU COME IN FOR YOUR FOLLOW UP VISITS
- ✚ Please purchase on bottle of Anthelios Fluid Extreme 50 SPF
- ✚ If you are presently using the Skin Brightening Cream, Retina-A or Renova, continue using it until your appointment date.

***Please feel free to call or email our nurses with any of your medical questions***
